MEMBERSHIP LIST

Analyses of Conference membership by states
and by cities were published in the Bulletins
for February-March and for April, 1919.

EXPLANATION

This list contains the names of paid
members of the National Conference
of Social Work on October 1st, 1919.

*Indicates Sustaining membership,
annual fee \$10.00.

*Indicates Institutional membership,
annual fee \$25.00.

All others listed are regular members,
annual fee \$3.00.

Notation has been made of the earli-
est year of membership in the National
Conference. Present Conference records
do not make possible indication of
membership records previous to the
year 1898 except in a few instances.
Members who joined before the date
given with their names are requested
to write the Conference office stating
when they first joined and during what
years they have been members. The
records since 1898 are considered reli-
able.

THE CONFERENCE BULLETIN OF THE NATIONAL CONFERENCE OF SOCIAL WORK

President, Owen R. Lovejoy, General Secretary, National Child Labor Committee, New York.

Treasurer, Charles W. Folds, Chicago.

General Secretary and Editor of the Bulletin, William T. Cross, Chicago
815 Plymouth Court

Vol. 28 OCTOBER, 1919 No. 3

Published eight times a year by the National Conference of Social Work, in January, February, March, April, June, September, October and November.

Price fifty cents a year, five cents a copy. (Membership Directory, 25 cents)
Sent all members in consideration of payment of fifty cents as part of membership fee.

Entered as second-class matter October 13, 1913, at the Postoffice at Chicago, Ill., under Act of August 24, 1912. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, authorized on August 8, 1918.

Nature of the Conference

The National Conference of Social Work (until recently the National Conference of Charities and Correction) exists to facilitate discussion of the problems and methods of practical human improvement, to increase the efficiency of agencies and institutions devoted to this cause, and to disseminate information.

It began as a part of the American Social Science Association in 1874. Its scope and influence have gradually widened with the growth of scientific thought and the increase in extent and complexity of social problems. Its annual meetings attract between 3,000 and 4,000 delegates.

The Conference consists of seven permanent Divisions, devoted to the following subjects: Children; Delinquents and Correction; Health; Public Agencies and Institutions; The Family; Industrial and Economic Problems; and The Local Community. Special provision is made for the consideration of subjects not falling under any of these classifications.

Anyone who is interested in the purposes and work of the Conference may become a member upon payment of the prescribed fee: regular members, \$3.00 a year; sustaining, \$10.00; institutional, \$25.00. Join the Conference, so as to lend it your support and to participate in the benefits of its association.

Donations, in any amounts, are asked, to maintain and increase the larger educational work of the organization.

Toward the South Pole.

An order for proceedings and other literature received from China recently held the record for distance traveled by foreign communications arriving since the first of the year, until an inquiry came from Bloemfontein, Orange Free State. The town clerk, Mr. J. P. Logan, in paying the membership fee in the National Conference writes in part: "We are about to organize a Social Welfare Department to look after the lives of all in the city who live below the poverty line. We have our own ideas how to do it, but we lack experience. We ask for your help. Will you send me as much of your published literature as you have handy?"
